MICRO MEDIA MAGAZINE

ATARI EDITION

VOLUME 2 - ISSUE 1

MAY/JUNE, 1982

Copyright(C) 1982, M-Cubed Publications, Inc.

In this issue of MICRO MEDIA MAGAZINE the Front Cover is by Mike McFarlane. The 4th Class a tutorial about the FORTH language. DATAXFER a utility to transfer tape based programs to disk. LOAD'N'GO can be used on all your disks to automatically load any file upon power-up. Review of Mouskattack game. BLACKJACK tutorial to improve your strategy in playing the game. DATASCAN Demo utility by David Youngs.

MICRO MEDIA MAGAZINE, Atari edition may be viewed by performing the following steps:

1. Install BASIC cartridge CXL4002 in your computer (left slot of Atari 800).
2. Turn on 810 Disk drive.
3. Mount the Micro Media Magazine diskette in drive 1 of your system in the normal fashion.
4. Turn computer power on.

At this point the magazine will auto-boot.

You may now select to view the front cover or go directly to the table of contents. I suggest, on first viewing, that you look at the front cover. Thereafter, you may go directly to the table of contents to select other items.

****Note:**** To return to the table of contents at any time while viewing the magazine simply press SYSTEM RESET.

To view textual material such as the editorial use the (+) and (*) keys to flip pages forward or backwards. Notice that the left and right arrows on these keys can be used as a mnemonic to remember the direction you're turning the page. Another helpful feature has been added to this issue. You may return directly to the table of contents by typing a "M" while viewing textual material. Now you don't have to go to the end of the article before returning to the table of contents.

If you have any trouble running the magazine please let us know. We WILL do whatever is necessary to get you up and running. To serve you better Call (214)-328-8830 leaving your name and phone number, we will return your call at our earliest convenience.

The ATARI edition of MICRO MEDIA MAGAZINE is published six times a year: Dates for Volume II.

May 1 Jul 1 Sep 1 Nov 1 Jan 1 Mar 1

U.S. and CANADA subscription rates: Single \$12.95, Annual \$60.00. Foreign rates: Single issue \$15.45, Annual \$75.00. Foreign subscriptions must be in U.S. dollars drawn on a U.S. bank or international money order.

MICRO MEDIA MAGAZINE is looking for authors of software, tutorials, product reviews, graphics and music for the ATARI computer. Payment schedule ranges up to \$300.00 for published software. Payment for software is based on quality not quantity. Product reviews and tutorials are paid by the word, two to five cents per word depending on quality. Submit your work on a floppy disk or cassette. Also, if you have quality software that you would like to market through MICRO MEDIA contact our Marketing Manager. Our address is MICRO MEDIA MAGAZINE, P.O. BOX 402286, GARLAND, TX 75040.

TABLE OF CONTENTS

1. DATAXFER
A utility program which will transfer tape based programs to disk with ease!
2. The 4th Class
A tutorial about the FORTH computing language. The first of a series.
3. LOAD'N'GO
A program which may be used on all of your disks to automatically load on power up, then LOAD any program and GO!
